1. Worthy is the Lamb of God, Who was slain to bear our sin.

Him belong all power and glory, For ever sing His matchless praise.

2. On the throne, He reigns above,  
Justice, mercy, peace, and love.  
Hosts of heaven bring their worship,  
Saints below His triumph sing.

3. Keys of death and grave, He holds, His,  
Blood was shed, the lost to save.  
Powers and might to Him belong,  
Exalted high in endless song.

4. Nations bow before His name,  
Every tongue His grace proclaim.  
Radiant crowns, the saved adore,  
King and Lord forevermore.

5. Worthy is the Lamb! Let voices,  
Soar with endless praise forever.  
Honors, glories, strengths, and wisdom,  
Be unto His holy name.
